6–7 November 2020

Maritim Hotel & Congress Centrum Bremen/Germany

### Programme for dentists and dental technicians

#### FRIDAY, 6 NOVEMBER 2020

##### FUTURE PODIUM – Visions in Implantology

09:00 – 09:15 **Opening ceremony**

09:15 – 09:45 **Dr Georg Bach/DE**

Opening lecture by the DGZI President

The „T“s in implantology—From triumphs to tragedies

09:45 – 10:10 **Dr Karl-Ludwig Ackermann/DE**

Every future has an origin—How perio-implant prosthetic treatment concepts have changed over time

10:10 – 10:35 **Prof. Dr Dr Sharam Ghanaati/DE**

The application of autologous blood concentrates in implantology and oral surgery

10:35 – 11:00 **Prof. Dr Norbert Gutknecht/DE**

Peri-implantitis—The „tsunami“ in future dental diseases: Is the laser giving us a problem-based solution?

11:00 – 11:15 **Speaker and podium discussion**

The speakers and the scientific leader/host discuss the relevance of the presented developments for the daily clinical practice of implantologists. Participants have the opportunity to actively take part in the discussion.

11:15 – 12:00 **Break/Dental exhibition**

##### LIVESTREAM

12:00 – 13:00

**Transfer live surgery/treatment**

**Dr Stefan Reinhardt/DE**

Immediate restoration in the aesthetic zone and simultaneous soft-tissue thickening

camlog

13:00 – 13:30 **Break/Dental exhibition**

13:30 – 14:30 **Transfer live tutorial**

**Prof. Dr Daniel Grubeanu/DE**

Next level immediate restoration concepts

straumanngroup

##### TABLE CLINICS (TC) – Visions in Implantology

15:15 – 16:00 **Session 1, TC table 1–28**

16:00 – 16:15 **Change of table**

16:15 – 17:00 **Session 2, TC table 1–28**

17:00 – 17:15 **Change of table**

17:15 – 18:00 **Session 3, TC table 1–28**

18:00 – 21:30 **Get-together at the congress/exhibition area**

#### SATURDAY, 7 NOVEMBER 2020

##### SCIENTIFIC PRESENTATIONS – Visions in Implantology

09:00 – 09:10

**Dr Georg Bach – DGZI President**

Welcome and introduction of the speakers and scientific programme

09:10 – 09:35

**Prof. Dr Dr Knut A. Grötz/DE**

Alveolar ridge augmentation in locally and/or systemically compromised cases—What has changed in the last 50 years?

09:35 – 10:00

**Prof. Dr Dr Bilal Al-Nawas/DE**

Implant – bone – soft tissue: What have we learned after 50 years?

10:00 – 10:25

**Prof. Dr Florian Beuer MME/DE**

Materials in implant prosthetics—Where, when and how does something work?

10:25 – 10:40

**Speaker and podium discussion**

10:40 – 11:15

**Break/Dental exhibition**

11:15 – 11:45

**Selection of the winners of the „Implant Dentistry Award“ and presentation of the winning posters**

11:45 – 12:15

**Prof. Dr Daniel Grubeanu/DE**

The significance of immediate implant placement in the daily practice

12:15 – 12:45

**Prof. Dr Dr Ralf Smeets/DE**

Implantological risk factors: Vitamin D deficiency, diabetes mellitus, proton pump inhibitors—What do we have to consider?

12:45 – 13:15

**Dr Dr Wolfgang Jakobs/LU**

Anaesthetic procedures in implantology—Indications, limitations, complications

13:15 – 13:30

**Speaker and podium discussion**

13:30 – 14:15

**Break/Dental exhibition**

14:15 – 14:40

**Prof. Dr Christian Gernhardt/DE**

Endodontic treatment or implant placement—When to choose which solution

14:40 – 15:05

**Prof. Dr Thorsten M. Ausschil/DE**

Soft-tissue management—How to achieve ideal tissue conditions

15:05 – 15:30

**Prof. Dr Friedhelm Heinemann/DE**

Implant-prosthetic restorations—How to make the most of existing potentials

15:30 – 15:55

**Prof. Dr Dr Frank Palm/DE**

Bone management—Preserving alveolar bone after extraction

15:55 – 16:15

**Speaker and final discussion**

## Table Clinics

FRIDAY, 6 NOVEMBER 2020

TC 1	<b>Dr Jörg-Martin Ruppin/DE</b> Implantology in cases with compromised bone— Solving difficult cases predictably and successfully		TC 16	<b>Dr Manuel Bras da Silva/DE</b> Novel synthetic biomaterials—From socket to horizontal/vertical alveolar ridge augmentation	
TC 2	<b>Dr Markus Reise/DE</b> Emdogain FL—New attachment even without surgery		TC 17	<b>Prof. Dr Matthias Karl/DE</b> Implant design, drilling protocol and primary stability—A 2020 update	
TC 3	<b>Dr Petra G. Rauch, MSc, MSc/DE</b> Chairside—What works in practice?		TC 18	<b>Anja Bogen/DE</b> infoskop®—Mobile digital patient communication and documentation for perfect workflow management	
TC 4	<b>Dr Arnd Lohmann, MSc/DE</b> Vertical bone augmentation—Risk management		TC 19	<b>Dr Dr Anders Henningsen/DE</b> Delicate two-piece hybrid implants—How to combine titanium and ceramics purposefully	
TC 5	<b>Prof. Dr Dr Dr Sharam Ghanaati/DE</b> Improved wound healing in implantology with autologous blood concentrates—Basics, collection, processing		TC 20	<b>Marco Josch/DE</b> Rounded internal connection against micro- movements—Still state-of-the-art in 2020? Evaluation and alternative concepts	
TC 6	<b>Prof. Dr Mauro Marincola/IT</b> Possibilities and limitations in the use of short implants		TC 21	<b>Dr Alexa van Schöll/DE</b> Atraumatic biological extraction through piezo-surgery in the daily practice	
TC 7	<b>Prof. Dr Friedhelm Heinemann/DE</b> Increase in abutments with diameter-reduced implants		TC 22	<b>Dr Marcus Engelschalk/DE</b> From diagnostics to application—Modern implant planning with CBCT and 3D face/impression scanning	
TC 8	<b>Dr Mathias Siegmund, MSc, MSc/DE</b> Digital workflow—From virtual planning to implant placement		TC 23	<b>Dr Elisabeth Jacobi-Gresser/DE</b> Clinical application of two-piece zirconium oxide implants—For which patients and why?	
TC 9	<b>Prof. Dr Dr Frank Palm/DE</b> Is augmentation still in fashion? Bone preservation after extraction		TC 24	<b>Dr Ingo Baresel/DE</b> Digital dental care in combination with 3D diagnostics and modern implant therapy	
TC 10	<b>Dr Armin Nedjat/DE</b> Zirconia implants demystified, successful & sustainable		TC 25	<b>Dr Rebekka Hueber/CH</b> Why do zirconia implants require a special treatment concept?	
TC 11	<b>Dr Maike Jörck, MSc/DE</b> Gentle, safe and quick—Forced bone preservation through immediate implant placement		TC 26	<b>Olaf Oberhofer, MSc/DE</b> The application of the Er:YAG laser in the daily practice	
TC 12	<b>Dr Bernd Siewert/ES</b> If implants could decide—Innovative concept for bridge construction with guaranteed passive fit		TC 27	<b>Prof. Dr Norbert Gutknecht/DE</b> <b>Dr Stefan Grüner/DE</b> Clinical approach to decontaminating implant surfaces in peri-implantitis therapy	
TC 13	<b>Prof. Dr Georg-Hubertus Nentwig/DE</b> Minimally-invasive procedures for improving peri-implant tissue volume		TC 28	<b>Dr Detlef Klotz/DE</b> Invoicing laser procedures in dentistry Anaesthetic procedures in implantology—Indications, limitations, complications	
TC 14	<b>Prof. Dr Dieter Wember-Matthes/DE</b> Short implants vs sinus lift—Concepts for cases with greatly reduced bone availability				
TC 15	<b>Dr Nicolai Böhme/DE</b> Immediate restoration—Happy patients and high profitability are not mutually exclusive				

## Organisational matters

### CONGRESS FEES

**Friday, 6 November and Saturday, 7 November 2020**

Dentist/dental technician DGZI member	€ 295*
Dentist/dental technician non-member	€ 345*
Medical assistant (with proof) DGZI member	€ 120*
Medical assistant (with proof) non-member	€ 135*
Student (with proof)	only conference flat rate
Conference flat rate**	€ 118 excl. VAT

### TEAM FEES

**Friday, 6 November and Saturday, 7 November 2020**

Dentist + dental technician DGZI member	€ 395*
Dentist + dental technician non-member	€ 475*
Dentist + assistant DGZI member	€ 375*
Dentist + assistant non-member	€ 400*
Conference flat rate** per person	€ 118 excl. VAT

### EVENING EVENT Friday, 6 November 2020, starting 18:00

„Get together“ at the event hotel

For congress participants and exhibitors free of charge (Price per accompanying person € 35 excl. VAT).

\* The reservation is made on behalf of and on the account of DGZI e.V. incl. 7 % VAT.

Please send this registration to [event@oemus-media.de](mailto:event@oemus-media.de)

I hereby register the following persons for the 50<sup>TH</sup> DGZI INTERNATIONAL ANNUAL CONGRESS on 6 and 7 November 2020 in Bremen, Germany.

(Please fill out as appropriate):

	yes no	Dentist   Dental technician Assistant
Name, First Name	DGZI member	
	yes no	Dentist   Dental technician Assistant
Name, First Name	DGZI member	
Office/Clinic		
Street		
ZIP, City, Country		
E-mail		

### CREDIT CARD

Card Holder's Name

Credit Card Type      Master Card      Visa      American Express

Credit Card No.

Expiry Date

CVC No.  
(3 or 4 digits on the back of the Credit Card in the  
Signature Field, Amex on the front of the Credit Card)

Date, Signature

With my registration I accept the terms of service of OEMUS MEDIA AG.

### TERMS OF SERVICE

1. Congress registrations are made online, in written form via fax or e-mail. For organisational reasons, registrations should be made as early as possible. Congress admissions are processed following the order of the incoming registration requests.
2. Once we have received your registration, it is legally binding. You will immediately receive a registration confirmation and an invoice.
3. The stated congress fee is calculated including 7 per cent VAT in the name and on account of DGZI e.V. The prices for the conference flat rate and bookings for additional services in the supporting programme are plus statutory VAT. Participation in the congress without paying the conference flat rate is not possible.
4. The declared student fees only apply to first-degree students of general medicine or dentistry. Evidence must be provided upon request. The declared student fees do not apply to students in second-degree master programmes and/or postgraduate courses and further trainings. You will receive your invoice by e-mail. International participants need to pay the invoice by credit card in advance of the congress. For the subsequent change of the invoice address, we charge a service fee of € 30.
5. In special cases, the participant may cancel the registration no later than 4 weeks before the congress by sending a written notice of such cancellation. In this case, an administrative fee of € 50 will be charged. The fee is waived, if the cancellation comes with a freshly made registration.

6. For cancellations received no later than 21 days before the congress, 50 per cent of the total invoice amount will be refunded. For cancellations received later than that, no refunds will be made. Registrations are transferable.
7. Two weeks before the congress starts, participants will receive a route map to the respective congress hotel and, if needed, special information on the event.
8. In case the congress is under- or overbooked, cancelled by the speaker or in case there are any changes with respect to the congress venue, participants will be notified immediately. The OEMUS MEDIA AG shall not be liable for any resulting costs. The already paid invoice amount will be refunded immediately.
9. The organisers reserve the right to modify the congress programme. The OEMUS MEDIA AG shall not be liable for content, execution, or general framework conditions of the congress.
10. During the congress, photographs will be taken and video recordings will be made for the sake of media coverage and announcing/advertising future events. Hence, please be advised that you may be photographed or filmed at any time during lectures, seminars or workshops.
11. With your registration, you agree to the terms and conditions of the OEMUS MEDIA AG.
12. The place of jurisdiction for any dispute is Leipzig.
